

CERTIFICATE OF RECOGNITION

This certificate of recognition is presented to

Arctic Backhoe Services Ltd.

For having participated in and successfully completed the comprehensive Northern Safety Network Yukon (NSNY) safety programs to a standard worthy of the COR® Certification in accordance with the National COR® Accreditation Standard and NSNY Territorial Standard.

The Workers' Safety and Compensation Board endorses the NSNY COR® program for Yukon Employers. COR® is registered and nationally recognized by the participating members of the Canadian Federation of Construction Safety Associations.
